**Subject:** PFAS Action Plan Clean - Most Recent; DELIBERATIVE DRAFT

Hi everyone,

Jennifer just sent this to Ryan and it made me think that it would be helpful to circulate this to everyone. This is the most updated, clean version of the PFAS Action Plan. This reflects the redline that went back to OMB, and which is currently in their shop. When there is a new updated version, I will circulate that as well to this group. It will be helpful for us to be working from the same document with the same pagination as we discuss this moving forward.

Thanks!

Jess Kramer
